Location

This property sits in a prime location to be a B&B. John o' Groats offers hotels, general store and a number of tourist shops. Offering magnificent views over the Pentland Firth towards Stroma and the Orkney Isles beyond there is a small harbour where local fishing boats tie up and a passenger ferry sails to Orkney. John o' Groats is usually regarded as the most northerly settlement of mainland Great Britain. The actual location of the most northerly point, however, is at nearby Dunnet Head. Duncansby Head has a large seabird population during the summer and there are great walks in the area including around Sannik beach and the Stacks of Duncansby can be visited.
